Police Recover Stolen Car

State police, working on information furnished in an anonymous tip by telephone, recovered a stolen car from a channel across from Lotus School last Friday.

First information was that the car had been dumped in a lake somewhere in Lake County. A second call told the police that it was near a school. This still left plenty of area to check out, and Corporals Jack Wells and Harold Freeman from the Elgin State Police department spent some time in eliminating possible places.

Friday Lieutenant Tom McNamara out of Elgin, Cpls. Freeman and Wells, assisted by Pete Lehmann of Grass Lake, started probing in the channel across from Lotus School. Lehmann operated a boat borrowed from Charlie Haling's Resort to aid the operation.

They felt sure they'd located the car, but had to call in an underwater diving team to verify their find. Jim Heneberry, team commander for the Springfield Underwater Search and Rescue Team, and Captain Clyde Oliver were flown in from Springfield.

The diving team went down and checked the car. It was the one the police had been seeking, a 1965 Mustang Fastback. It belonged to Richard Wieser, 4206 Carrollton, Indianapolis, Ind., and had been stolen from Chicago.

The officers commented that "they had a pretty good idea how it got there and who was connected with it" but at the present time they aren't saying.

HIGH WATER prevails throughout the Lakes Region. Harry Stern parks a weighted boat atop his pier to keep it from floating away.

High Water Level Bad For Property, Say Lakes Residents

Some of the citizens living on the shores of the Chain O' Lakes complain bitterly about the high level of the water.

The water level, they say, is artificially maintained by the State through manipulation of the locks at McHenry for the benefit of boaters. As a result, they say, the shores of their property are frequently under water.

Harry Stern, living on Indian Point at Fox Lake, says that right now his pier is in danger of floating away. To anchor the pier he filled his boat with rocks and tied it atop the pier.

"I know we've had a lot of rain," Harry said, "but I have pictures of my property for many years, showing where the water line was. Even during high water it was not as high as it is now."

Marks 25 Years With Company

Melvin Johnson, Route 4, Antioch, recently marked a quarter century of service with Abbott Laboratories.

He started with the company in 1940 as a chemical operator, and three years later was promoted to shift supervisor in the chemical manufacturing area. In 1957 he transferred to the maintenance department as a technician, planner and scheduler. In January, 1965, he became chemical area maintenance foreman.

Oakland School To Hold Book Fair

The Oakland Grade School PTA will sponsor a Book Fair and Ice Cream Social, Monday, October 4. The event will start at 6:30 p.m. in the school gym. Parents and their children are cordially invited. Chairman for this affair is Mrs. Dorothy Enzenbacher of Channel Lake. Ice Cream and cake will be served and books of many interests will be available for purchase by the people.

More than 40 varieties of crabapple trees grow in southern Illinois.

NICC Trap Shoot Sun.

The Northern Illinois Conservation Club is holding their Autumn Turkey Shoot, Sunday, October 3rd at their trap range off of Route 173, three miles west of Antioch.

Target of the shooters will be plump young turkeys, cornish hens and fat young ducks. For those hunters who have failed to connect with a brace of teal, this is the opportunity to bring home a bag of meat, without even getting their boots damp.

Shooting starts at 9 a.m. and will continue, in five-man squads, until dark. To insure that gunners who are not "hot-shots" will get their fair share of the meat, club officials have announced the ruling that after the first ten squads have shot, winners will shoot only against winners and will not be eligible to shoot against non-winners. This will give neophytes an equal opportunity to share in the "spoils". Refreshments including hot sandwiches and coffee will be served by the ladies of the NICC.

Parking facilities are ample, supervised and free. Ammunition will be on hand too.

All net receipts will be used by the NICC in their conservation work.

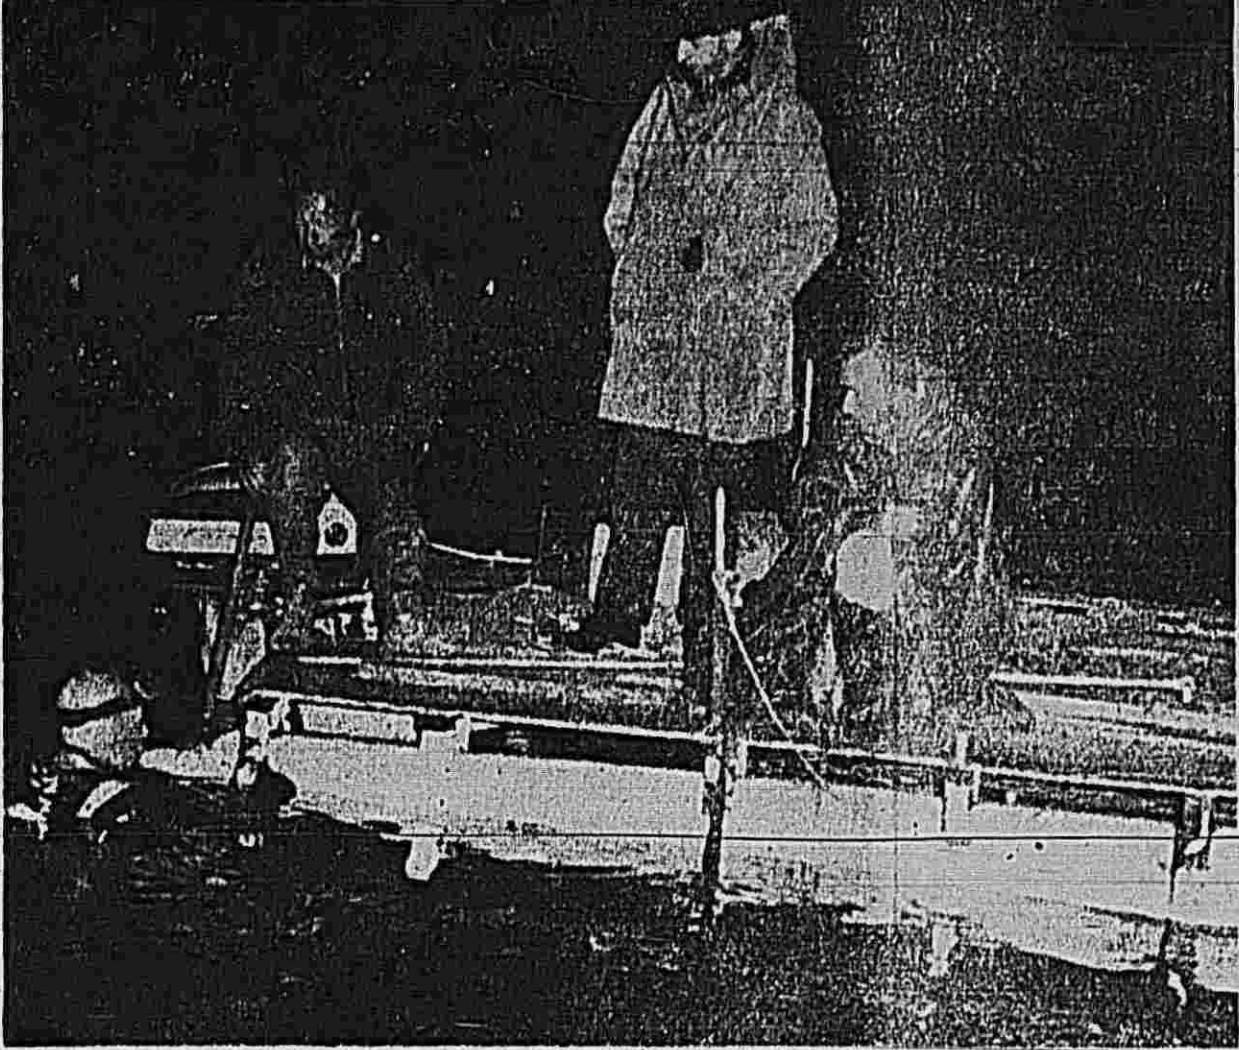

New Store Opens On Main Street

If you like the atmosphere of Grandma's days you'll enjoy a visit to the old-fashioned General Store which opened recently on Main St. in Antioch.

The General Store is located where Taylor's Shoe Store formerly was operated. It carries a wide range of items, as did the old General Store, but most of them have one thing in common—they're unusual items.

They range from gift items and toys to small household wares and products for gourmet cooking. The store is decorated to blend with the items featured.

Elaine and Douglas Olson are the owners of the recently opened shop. They're from Chicago, now living in Villa Rica, Loon Lake.

AN ANONYMOUS tip and days of probing resulted in the recovery of a stolen car from a channel near the Lotus School. The diver in the water at the left is Captain Clyde Oliver from Springfield, a diver. On boat, Pete Lehmann, Grass Lake, operator of boat; Lieutenant Tom McNamara, Elgin state police station and Corporal John Wells, also from the Elgin station.

Parade Kicks Off Fire Prevention Wk.

The Antioch Fire Department, the Antioch Chamber of Commerce and local Fire Insurance agents will cooperate in all-out observance of Fire Prevention Week in Antioch from October 3 to 9.

Plans for the observance of Fire Prevention Week are being coordinated by John Romer of the Sexauer Insurance Agency, vice president of the Chamber of Commerce.

A parade on Monday evening will kick-off the week's events. The parade will leave

Stratton To Speak at GOP Club Outing

All is set for the kick-off of which promises to be the Antioch Township Republican Club's biggest Sheriff Charles E. Larson Day in its history, Wednesday, October 6th at the George Diamond Country Club in Antioch.

Beginning at 9 a.m. with all day golf, there will be day-long entertainment in the club house, followed by a chicken dinner in the evening, with dancing and general frolicking winding up the gala shindig. In between there will be the 1965 ELLAphant awards for outstanding service to the Republican cause, and a plaque to an Antiochan for similar labors on behalf of the Club.

Herbert Horton, club president, announced the selection of Lloyd "Red" Murrie, Antioch Township Supervisor, and former Governor William G. Stratton as recipients of this year's ELLAphant trophies.

Stratton will also deliver the principal address of the evening.

Avon Players Start Ninth Season

The Avon Players will begin casting "Gazebo" this Thursday and Friday, September 30 and October 1, at 7:30 p.m. at the Avon School on Route 83 three miles north of Grayslake.

"Gazebo," by Alec Coppel, is a comedy-mystery. There are parts for three women and nine men. Anyone interested is welcome to read for a part.

Play dates are November 12, 13 and 14. "Gazebo" will open the ninth season for the Avon Players.

Lake, Oakland, Antioch and St. Peters.

Children in the three grades will receive home inspection blanks. They will inspect their homes for fire hazards listed on the blanks, get their parents signatures on the forms and return them to the schools.

Badges will be issued to the children with the inspection forms and upon returning them they will receive a plastic fire helmet. In addition, the school getting the highest percentage of return of the forms will receive a banner.

Educational pamphlets dealing with fire hazards and banners will be passed out to merchants and industrial plants by the Chamber of Commerce.

The Antioch Fire Department has already started its yearly inspection of buildings, timed each year to coincide with Fire Prevention Week. Inspections will be stepped up next week, and school inspections and fire drills held.

Scout groups usually are taken through the Antioch Fire Department for tours during Fire Prevention Week. Children from Antioch Grade School toured the fire house last week.

Out of town inquiries may reach club publicity director Harry H. Stern at 395-2713 in Antioch.

Loren Sexauer, ticket chairman, stated that all the tickets for the party are out, and persons desiring to attend who do not now have them will have to seek out some of the duceats which are still floating around.

Fire Department To Hold Open House

The Antioch Fire Department will hold Open House at the Fire Station Friday night, October 8, as part of the observance of Fire Prevention Week.

The station will be open to visitors from 7 p.m. to 9 p.m. Friday night. The Rescue Squad section will also be open, with members of the squad in attendance to display the equipment and answer questions.

Several firemen will be present to explain the equipment on hand for fire-fighting. "We thought we'd give people a chance to see their Fire Department," Todd Mapletorpe commented. "Dad can bring the kids over to tour the department while Mom does her shopping. Of course, Mom's welcome, too."

The Fire Department hopes to make the Open House a yearly event during Fire Prevention Week.

Rescue Squad Calls For Last Week

Mrs. Katherine Archer, Woodcrest subdivision, Channel Lake, was taken to Victory Memorial Hospital Friday night, September 24, by the Antioch Rescue Squad after her hip was broken in a fall at her home. Mrs. Archer underwent surgery Monday morning.

Joseph Mikita, 65, was taken to Victory Memorial Sept. 23 by the squad after he suffered an apparent stroke in his home near Cox's corners at Channel Lake. The squad found him lying on the kitchen floor. It was estimated that he must have been there about three days. He reportedly was finally able to reach the phone and called his son, who called the Rescue Squad.

William Schneider, 19, of 226 Burnett St., Lake Villa was taken to the hospital with head lacerations on September 24 after his car hit a telephone pole.

Anne Blanco, 48, of 3008 Elizabeth, Zion, was helped by the squad after she suffered an asthma attack.

Public Interest High, Murrie Says

A public hearing on the revised amendment to the Lake County Zoning Code will be held today (Thursday, Sept. 30) at the county courthouse in Waukegan.

The hearings will start at 9:30 a.m. in Room 305 of the courthouse, and will be continued from day to day, if necessary, until all protests have been heard.

A copy of the proposed revisions, and the map showing the zoning of all property, is on display at Murrie's Standard Service Station on Main St. in Antioch.

Lloyd "Red" Murrie, Antioch Township Supervisor,

reports that a great many people have been in to check on the zoning of their own property. "I have a list of about twelve protests here," Murrie said. "Most of them are businesses in rural areas that have had business zoning for a good many years, and have been zoned residential like the property around them."

Murrie said that the fact that zone requirements, such as lot size, would make many homes non-conforming would have no real effect on established dwellings. "Bob Morris assures me that it simply

isn't true that homes which are burned down can't be rebuilt on non-conforming lots."

Red said, Morris is head of the planning commission, the county agency which drew up the zoning amendment and map.

"Most of the objections I've had are on a purely personal or mercenary basis," Murrie said. "I've had few objections to the provisions in general. For example, a few areas have been re-zoned resort commercial from residential. People living in the same neighborhood object to the commercial zoning. But most neighborhoods have been upgraded—there isn't much downgrading of areas."

People who feel that their property has been improperly zoned can protest the new zoning at today's public hearing. Written communications received by the Zoning Board of Appeals before the conclusion of the hearing will be read aloud at the hearing and made a part of the record.

The Board of Appeals will consider each protest and decide whether or not the protest is justified.

Properly within, incorporated areas, such as Antioch, is not affected by the present zoning revision. Each city, town, or village has the privilege of establishing its own zoning.

However, under a new state law passed by the last General Assembly, the county may move in and establish zoning if municipalities do not do the job themselves. To forestall any such movement, the Antioch Village Board is at present working on a zoning code for Antioch.

Three Die In 2-Car Crash

Three people died as the result of a Sunday afternoon head-on crash of two cars on Route 173 east of Antioch.

Mrs. Wilhona Pullen, 58, of 257 Ida Ave., Antioch, and Mrs. Beth Conklin, 60, of Kenosha, were both dead at the scene of the accident. John Conklin, 63, (the husband of the dead woman, died Monday at 3:25 p.m. at Zion-Benton Hospital.

Two other passengers in the car driven by Mrs. Pullen are in Zion-Benton Hospital with serious injuries. They are Mrs. Ruby Bollinger, 55, of 125 Grace St., Sharon, Wis., and Mary Ann Bollinger, 12, of the same address.

Witnesses said the accident happened when a car driven by Jerry Dowell, 928 Mulberry Lane, Streamwood, Ill., headed east on Route 173 a short distance west of Savage Road, attempted to pass another car.

Phillip Peterson, 31, headed

west on Route 173, saw Dowell pull out and drove onto the north shoulder of the road to try to avoid him. Peterson's car was hit in the left fender by Dowell's car. Peterson said he lost control of his car, it crossed Route 173 and came to rest in the opposite ditch. Dowell's car then crashed head-on into the Pullen car.

Dowell was treated for minor injuries at St. Therese Hospital and released. Peterson was not injured.

Dowell was ticketed for improper passing.

Mrs. Pullen was born Dec. 5, 1905, in Chicago. She moved to Jacksonville, Florida, where she lived until moving to Milwaukee, Wis., in 1945. She moved to Antioch in 1948. She married Fred Pullen on October 9, 1948 at Waukegan. She is a charter member of St. Stephen Lutheran Church at Antioch and is a member of Antioch Chapter 735 Women of the Moose. Mrs. Pullen had been a Stanley dealer for the past 15 years.

She is survived by her husband, Fred Pullen; 3 sons, Charles A. Slater of Miami, Fla.; Solon Slater of Sebring, Fla.; and William K. Slater, of Milwaukee; her mother, Mrs. Sophie Edwards, Antioch, one brother, Richard Edwards of Chicago, and four grandchildren.

Funeral services were held at 1:30 p.m. Wednesday, Sept. 29, at the Strang Funeral Home in Antioch. The Rev. Wilton Anderson of St. Stephens Lutheran Church officiated at the services. Interment was in Mt. Rest Cemetery in Neppert Township.

A double funeral for Mr. and Mrs. Conklin was held Wednesday from the Hansen Funeral Home in Kenosha with interment in Sunset Ridge Cemetery at Kenosha. Mrs. Conklin was a district manager for Stanley products.

The jury was sworn in on Sunday afternoon for Mrs. Pullen and Mrs. Conklin at Strang Funeral Home in Antioch. The jury was sworn in for Mr. Conklin at Strang on Monday evening. The inquest will be held at later date at a time prescribed by Lake County coroner Orville Clavey, and will be held at Strang Funeral Home.

Plans For Candy Day In Antioch

Chairman Maurice Loven and his committee for Lions Club Candy Day for the Blind in Antioch are trying to get fifty workers to help in the Candy Day collections on October 8 and 9.

Members of the committee in addition to Mr. Loven are Les Sorensen, Mike Haley and John Volk.

Lions Clubs throughout the state have set a goal of \$350,000 to be raised this year. The money goes to support the various Lions projects to help the blind.

The four official projects supported by Candy Day are the Hadley School for the Blind, at Winnetka; the Leader Dog School at Rochester, Illinois; Camp Lions at Hastings near Lake Villa, a summer camp for visually handicapped children, and Dialogue, a recorded, magazine for the blind.

School Bells To Ring For ACHS Parents

Next Wednesday night, October 6, is the time for the annual Back-to-School night for parents of Antioch High School students.

This is the night when parents get a short duplicate of their son's or daughter's day at school. The evening is co-sponsored by the Board of Education and the PTA.

After gathering for the presentation of colors, parents will dash to the first class of the day on their child's schedule. If they have two children in high school, each one usually takes one child's schedule.

The short class sessions give parents a chance to meet their child's teachers, hear any comments on his work, and give them a general idea of the youngster's schedule during his day in school. After dashing from one classroom to another on the signal of the bell, Mom and Dad may understand why Junior complains he has a long walk from one certain class to another.

After completing their class schedule for the "day", parents will return to the cafeteria for refreshments and a chance to chat with other parents or teachers.

PTA officials would like to see all parents of High School students at Back to School night. President of the PTA for this year is Francis Mitchell; vice president, Gilbert Krahn; treasurer, Ida Wyso, glad, and secretary, Richard Elliston.

Lake County Blind To Elect Officers

The Lake County Blind Association will hold their monthly meeting and election of officers on October 3 at the AmVets Hall at Beach and Sheridan Road in Zion. The meeting will start at 3:30 p.m.

All visually handicapped are invited to attend the meeting, according to Al Breen, president of the association. Installation of officers and the second annual banquet will be held at the Doll House at Winthrop Harbor on October 10 at 4 p.m.

Water Pollution

Water pollution is one of the biggest problems facing communities today. At times, as we listen to the dire forecasts of biologists and conservationists, we feel that the human race is more likely to die of poisoning by its own wastes than from an atomic bomb.

It's also one of the most prohibitively expensive problems to really clear up. Towns and cities solve their sewage problems by dumping their waste into lakes and streams, and create a problem for their neighbors. Industry adds to the problem with waste chemicals. How to dispose of all this waste without prohibitive expense?

So far, no community has found a really satisfactory answer without adding to general pollution of nearby bodies of water. Now, the federal government is getting ready to step in and try to help where it's needed, and force action where necessary.

The federal government's water pollution control bill allows a 22-month period of grace for states to start taking action to clean up their own back yards. After that, the federal government will step in and force action.

Industries are getting a six-month period to get to work on their waste-disposal problems.

In general, federal funds are a snare and a delusion. It is, after all, still money from the taxpayer's pocket, the same taxpayer whose funds support the local and state government.

Water pollution, though, is one area where federal funds and intervention could prove of great benefit. Streams are no respecter of state lines. It does little good for the downstream state or community to clean up adjacent streams if waste is dumped in upstream. States are more likely to cooperate in cleaning up common bodies of water when the threat of federal intervention is hanging over them.

We're years late in halting the pollution of our streams. A truly intensive national drive with the federal government supplying all available scientific know-how to states and communities would benefit the national health as well as producing an esthetic improvement.

Fire Prevention Week

One of the points John Romer is stressing in the program for Fire Prevention Week is the danger of leaving young children alone in the home.

The value of adult supervision of young children will be stressed in the Junior Fire Marshal program being conducted in cooperation with the elementary schools in the area next week.

Mr. Romer, an insurance agent, points out that an alarming number of fires have occurred in homes where youngsters have been left alone. All of us can recall newspaper accounts of young lives being snuffed out in the brief time it took a mother to slip out for one or two items at a local market.

In addition to learning the value of adult supervision, the Junior Fire Marshals will earn their badges and helmets by working to eliminate fire hazards in their own homes. The boys and girls, with their parents, will conduct home inspections based on a check list including such fire hazards as defective heating and cooking equipment, carelessness about storage of varnish, paint and other flammable materials and accumulation of old newspapers or trash in attics and basements. Number one on the check list is the promise never to play with matches or build a fire without adult supervision.

Antioch's Junior Fire Marshals will learn why playing with fire can be deadly, a good lesson for Fire Prevention Week.

Letters to the Editor

To the Editor:

September 15 the Junior College question is to be received at a meeting at Grayslake High School. Business, governmental and educational leaders will formulate plans to "sell" the idea to Lake County homeowners of placing another tax on their already overloaded real estate. As before, anyone who protests the ability of the homeowner to meet this additional financial burden will be termed "anti-education." In many areas in the County those to be so classified are already paying between \$300-\$400 taxes for homes over-assessed at 82.25%—55% of \$15,000—which they couldn't sell for \$12,000. Can anyone blame them for refusing to add voluntarily, to a presently inflated bill?

In studying governmental operations, local, county, state and national for the past few years, I have come to the conclusion that we are not putting the blame where it belongs: that the people responsible for the refusal of the homeowner to tax himself voluntarily are the real "anti-education" faction: the businessmen, government officials and educators. If you please, let me explain why—

In the last legislative session, our representatives and senator from this area, yielded voluntarily to the real "anti-education" faction: the businessmen, government officials and educators. If you please, let me explain why—

The educators and governmental officials will be behind the movement for a Junior College. There will be the fault, however, if the referendum is defeated. They have stifled our voluntary contribution of our tax money, by usurping that tax money already and spending it as they please.

Business leaders did, and will again, insist that a Junior

Courthouse Notebook

BY LOU DURKIN

Public hearings on the latest revision of the county zoning ordinance could develop into new agitation to eliminate the Lake County Planning Commission.

Signs of disenchantment with the planning group are increasing and could reach the action point if too many complaints are registered against the zoning code.

A series of public meetings in each township two years ago brought a barrage of criticism against the zoning code and resulted in its being sent back to the planners for extensive revision.

Along with the criticism of the zoning ordinance there was considerable criticism of the drafters of the proposed ordinance and this criticism will probably be revived and intensified if the new code encounters the same opposition as its predecessor.

Principal opposition to the Planning Commission will probably develop at the county board hearings on the new budget and appropriation ordinance in November.

A half-hearted effort to emasculate the commission was made at the budget hearing two years ago when a motion was made to reduce the commission's budget from \$80,000 to \$25,000 a year.

There was indication at that time of opposition to the commission and it is possible it would have been voted out if the proposed cut had gone all the way.

Several board members have expressed dissatisfaction with the Planning Commission because they have seen few concrete accomplishments of the commission.

If the commission's new zoning ordinance fails to win approval, look for opponents to renew their efforts to kill it.

In a recent column William Rentschler, the journalistic candy-maker, took Charles Percy, Republican nominee for Governor last year, to task for failing to unite various segments of the GOP in Illinois during the gubernatorial campaign and thus costing the Republicans control of the Illinois General Assembly's House of Representatives as well as the Governorship.

Rentschler apparently has forgotten the role he played in the "purge" of several GOP State Representatives and the part he played in selecting the "blue ribbon" candidates in the at-large election.

Actually the groundwork for the purge was laid by State Treasurer William Scott and Cook County Sheriff Richard Ogilvie, with an assist from Rentschler, while Percy was vacationing from the rigors of the primary campaign.

When Percy returned to Illinois he found himself painted into a corner by the work of Scott, Ogilvie and Rentschler, abetted by the Chicago Daily News and Chicago Sun-Times.

The purge movement was successful in eliminating the six legislators including GOP Majority Leader W. J. Murphy and it was also successful in developing a new schism in the Republican Party.

It is questionable how successful Percy would have been even with a united party behind him, but it certainly didn't enhance his chances to eliminate men who had proven their vote-getting ability.

There are a few people who feel that Scott and Ogilvie deliberately sabotaged Percy's candidacy and that Rentschler wasn't exactly heart-broken to see Percy go down to defeat.

ing to the pressure of the powerful educational groups in the state, passed bills which have been signed into law to allow—without a vote of the homeowner—

1. a 6c raise in the school transportation tax.

2. the right to raise the educational rate to 44c.

Not content with permissive taxation in the field of education alone, our legislators listened to the lobbying of our county officials and passed bills to allow the county government to—

1. increase the county corporate tax—presently .047.

2. build an Exhibition Hall by issuing revenue bonds and levying a 5c tax to pay for it.

3. build a model court-house and levy a tax to pay for that cost—all these things without a vote of the people.

In previous years the legislature had passed the Public Building Commission Act which our Supervisors have utilized to build phase 1 of the Courthouse Complex. If the judges insist on their courtrooms and the sheriff insists on his jail, phases 2 and 3 will be placed against our real estate, too, by this same method of involuntary taxation.

The educators and governmental officials will be behind the movement for a Junior College. There will be the fault, however, if the referendum is defeated. They have stifled our voluntary contribution of our tax money, by usurping that tax money already and spending it as they please.

Business leaders did, and will again, insist that a Junior

I write to register my protest against the back stabbing practices of the Village of Antioch as practiced by their Village Board, and against any other government that may be guilty of the same practices, and to offer a solution that will prevent recurrence of the problem. I refer to the postponement of, and rejection of bids on the construction of a village water treatment plant.

It takes little thought to realize that this hurts the low bidders in that all bidders now know the low bid. This means that, when the project is reopened for bids, the low bidders will be in poor shape indeed. In fact he may not even bid.

The solution? I might suggest that the village stop getting their estimates from incompetents, but I think a much better solution is to, when a project is opened for bids, stipulate, as part of the bid, the maximum cost. This would mean that, if the stipulated cost is too low, no bids would be received, and the contractors would not be compromising their positions.

Two more senseless deaths in Lake County!

Why do these accidents happen? (Referring to the accident on Hwy. 173 and Savage Road on Sept. 26). I've traveled this road many times on the way to Waukegan. It is not a dangerous road, but I guess if you put drivers on it that are impatient—watch out. They get in a hurry to pass, and the other guy just hasn't a chance.

If you are a driver, think twice before you step on that gas pedal, remember the life you save may be your own.

College is a Lake County "must." They argue it will increase prosperity, expand opportunities and add to the valuation of property. (To the homeowner, added property valuation means just one thing—more taxes. A \$4.50 rate against an increased assessed valuation of \$2,000 would add \$90 tax, payable in two installments to the County Treasurer. Real estate dealers may profit, but the only way the small homeowner could, would be to sell his further inflated piece of property and move out.)

Gossip has long whispered that business receives preferential tax treatment in Lake County. There have been occasional half-hearted attempts made to find the discrepancies, but the injustices remain. Yet, the business leaders will be among the ones who denounce as "anti-education" those of us who can not voluntarily add another dime to the cost of owning our homes.

I hope I have made myself clear. I hope that the business, governmental and educational leaders in Lake County will take a long, long look at themselves and their practices.

Just who is "anti-education"? I leave the answer to the reader.

Mathion Kyrtis has now come along with the chery information that we're in for a cold winter. Come on, Doc, it ain't so, is it? Say the mushrooms tell a different tale.

Ray Van Patten comes up with the information that his cat has a light coat of hair so it's going to be a warm winter. Anybody else have any cheerful forecasts?

RUMOR HAS IT that a filling station will be built on the corner of Main and Broadway, where the Mortenson Hotel now stands.

Junior Fire Marshal

Johnny Hartford says

A House Can Be Reduced To Ashes In 20 Minutes

In case a fire should break out, would you know what to do—to save valuable time? Can you select the most important precautions to follow from among these?

1. Have a prearranged signal to warn all those in the house—whistle, horn, bell, etc.

2. Have a prearranged evacuation plan.

3. Call the Fire Dept. from a street alarm box, or a neighbor's house.

4. Close all doors behind you.

5. Never collect valuables before exiting, or go back after possessions.

WES CAMP AND GARNET ODDSEN won the Mr. Thomas awards at the PM&L dinner for their performance in roles in the past year.

PM&L News

The annual Awards Banquet given last Sunday evening by PM&L for its members, season ticket holders, patrons, angels, life members and advertisers started the season with a very fitting and enjoyable "send off."

The highlight of the evening was the presentation of the Hunley Awards. President Ken Smouse introduced Joe and Valerie Hunley, sponsors of the award, who introduced the various nominees. Top awards went to Garnet Oddsen for her portrayal of Mrs. Cliveden-Banks in *Outward Bound*, and to Wes Camp for the title role in *The Music Man*. Other nominees were: Geri Duncan, Daisy Bevington, Lucille Evanoff, Lou Parker, Gloria Davis, Maja Cardiff, Dr. Al Bucar, Homer LaPlant, Dan Seyfarth, Don Beveroth, and Jim Corrigan.

Joe and Val prefaced their presentation with a challenge to all actors and actresses to lose themselves in their roles, to become the person each is portraying, and to work long and hard for perfection.

Ken Smouse then gave a presidential report which summed up the activities, failures, successes, and the ever present optimism which has characterized the group during the past five years since its early beginnings in the fall of 1960. The board of directors was introduced and the Winter Season announced. It is the desire of PM&L to constantly improve the type and consistency of the production to be presented to the

Observe National 4-H Club Week

National 4-H Club Week will be observed by about 1400 4-H Club members in Lake County, September 25 to October 2. The head-hearts-hands-health youth are among 24 million members of 94,800 clubs in rural, small-town, urban, and suburban areas throughout the 50 States and Puerto Rico.

Among aims of this year's 4-H Week observance are to encourage more young people, 9 to 19 years old, to join or form 4-H Clubs; acquaint more parents with 4-H and enlist their cooperation; urge a larger number of capable, public-spirited men and women to volunteer as 4-H leaders; recognize the important part played by friends of 4-H locally and nationally, and express appreciation to them.

Aiding club members with 4-H Week events here and elsewhere will be 367,000 4-H local leaders, who guide 4-H work in their communities throughout the country. They will be assisted by 138,000 older 4-H'ers called junior leaders.

More information on 4-H, or 4-H Week, is available from the Lake County agricultural extension adviser, Mr. Ray T. Nicholas, or the Extension home economists, Mrs. Helen Volk, Home Adviser, and Mrs. Marjorie Robbins, Assistant Home Adviser. Inquiries may be made by phone, letter, or visit to the County Extension office at the Fairgrounds Administration Building, Grayslake, Illinois. Mr. Nicholas can be reached at BA 3-5844, and Mrs. Volk at BA 3-4844.

Joins Army

A local man took advantage of the many opportunities available in the U. S. Army by enlisting. It was announced by SFC Arthur R. Nelson the local Army representative.

Phillip, son of Mr. and Mrs. Wilbur McDonald of Rt. 2, Box 453 in Antioch, will work in the field of Armor and Artillery. Phillip chose this field after selecting from over 174 different career fields available.

Pvt. McDonald completed his basic training at Ft. Knox,

Kentucky. He will travel to Ft. Sill, Oklahoma where he will attend the Armor and Artillery course, which was guaranteed to him in writing prior to enlisting.

SFC Nelson, located at 620 1/2 Washington in Waukegan, wishes to remind all young men and women that the Army still offers a three year enlistment and a written guarantee without obligation to enter service. Anyone desiring further information pertaining to their military opportunities should contact SFC Nelson at his office or call him at ON 2-5260.

Mr. and Mrs. Harold Smith

Virginia White Becomes Bride Of Harold Smith

Miss Virginia White became the bride of Harold Smith in a double ring service at the Millburn Congregational Church on September 25 at 12:30 p.m. The Rev. L. H. Messersmith officiated at the ceremony.

The bride is the daughter of Mr. and Mrs. Homer White of R. R. 2, Box 285, Antioch. The groom is the son of Mr. and Mrs. L. Wayne Smith of 7308 40th Ave., Kenosha, Wis. The bride was given in marriage by her father. She chose a wedding gown of white peau de soie in a sheath style with pearl-embroidered lace and a cathedral train. Her shoulder length veil of silk illusion was held by a crystal and pearl crown. She carried white roses and stephanotis with ivy leaves on a white Bible.

Miss Mary Jane White, sister of the bride, was maid of honor. Miss Cheryl Denman and Miss Sandra Pederson served as bridesmaids. The bride's attendants wore gowns of royal blue crepe with blue velvet sashes and royal-blue headpieces. They carried cascade bouquets of white carnations with yellow roses.

Norma Smith, cousin of the bride, was flower girl and

Scott Yahnka, the groom's nephew, was ring bearer. Thomas Katzien was best man. Groomsmen were Thomas Atkinson, Ronald Smith, Cousin of the groom, Roger Smith, the groom's brother and David White, the bride's brother.

Special music was provided by Mrs. Thomas Easton, cousin of the groom, at the organ. The "Hawaiian Love Song" was sung by Frank DeYoung.

A reception for 200 guests was held at Lorenz's Smart Country House. Lynette Murrie attended the guest book while Cathy and Carol Carlson served punch. The newlyweds left on a honeymoon trip to Canada.

The bride is a graduate of Antioch High School. The groom is a graduate of East Troy High School at East Troy, Wis.

Ends 8 Years As Mother Advisor To Rainbow Girls

Mrs. Donald (Wilma) Gibbs was recently replaced as Mother Advisor of the Antioch Chapter of the Order of Rainbow for Girls after serving eight years in that capacity.

As Wilma stepped from her post as Mother Advisor, the girls of Antioch Assembly presented her with a letter of appreciation for the many years she guided them. In part, the letter says, "The Circle of Gold that you have worn has encircled the lives of the many girls you have welcomed into our assembly."

Mrs. Gibbs started her career as an officer of Rainbow when she was elected to the Advisory Board in 1954.

She was elected to the Grand Cross in January of 1955, and went to Springfield, Ill., for the Grand Assembly session to receive the degrees. She has been active in the Grand Cross Club for the northern area since it was organized in 1958.

She was elected as Mother Advisor of the Antioch Chapter in March, 1958, replacing Mrs. Richard Farm. In the eight years she has served in this capacity, Mrs. Gibbs has seen 23 Worthy Advisors take their position as leader of the Antioch Rainbow Assembly. Two of the girls who served as Worthy Advisors under her

Mrs. Donald Gibbs

guidance were her daughters, Donna (Gibbs) Welsh and Sharon (Gibbs) Simon.

Mrs. Gibbs held the Secretary's position in the Mother Advisor's Club for the Northern area when it was organized in 1959. She has been active in the Club and served on several committees through the years.

Gloria Tammen

Graduates As Practical Nurse

Gloria Tammen, daughter of Mr. and Mrs. Walter Tammen of Loon Lake, graduated from the Practical Nurse Training program at Waukegan High School on September 10. She is now employed at the Lake Forest Hospital.

Miss Tammen is a 1964 graduate of Antioch High School.

Grand Assembly is the high light of the year for Rainbow Girls. Mrs. Gibbs has accompanied girls to ten of these Sessions.

Supreme Session is held every two years, and Mr. and Mrs. Gibbs have chauffeured Rainbow girls to Florida, Philadelphia and Chicago.

Mrs. Gibbs served on many of the committees for Grand Assembly, held each year in Chicago. Many of the girls she guided through their terms as Worthy Advisor have brought honor to Antioch Assembly by being appointed to the Grand offices and Grand Representatives, and in 1964-65 Harriet Wells served as Grand Worthy Advisor of the State of Illinois.

When Antioch Assembly received their charter in 1940, Mrs. John Gaa was Mother Advisor. Others who served since were Mrs. Joseph Horton, 1941-42; Mrs. Elmer Hunter, '43-48; Betty Lu Williams, '50-52; Mrs. Clarence Heath, '53-55; Mrs. William Terry, Jan. and Feb. of '56; Mrs. Richard Farm, '56-57, then Mrs. Gibbs, '58-65. Mrs. Margaret Pincombe is now Mother Advisor.

Attending the State Moose Convention held at the Conrad Hilton Hotel this past weekend from Antioch Lodge were, Governor Arthur LaFlamme, past governor Ed Petersen, Seth Mark, Mr. and Mrs. Arthur Andersen and Mr. and Mrs. Dick Jorgensen. Attending the 25 Club Dinner at the same convention were Ed Kutz and Mr. and Mrs. Scotty Birdsall.

Attending for the W.T.O.M. were, senior regent Evelyn Miller, Jr. Regent Miller Stroner, treasurer Jerri Polson, chaplain Lillian Birdsall and co-workers Gerry Mark, Gladys Schroeder and Jan Fenski.

The convention which started on Friday, Sept. 24 and ended Sunday, Sept. 26, proved to be very interesting and educational. The one subject which was on the top of every delegates speech was membership and the Moosehaven Health Center.

At the question and answer session that was held for the W.O.T.M. on Sunday morning, the guest speaker was Helen Mellon of Rochester, N.Y., who told about her experiences while living at Moosehart and how she became a Moosehart graduate with a scholarship. Helen Mellon is now the head nurse for the Conrad Hilton Hotel.

The card game sponsored by the W.O.T.M. College Committee will be held at the Antioch Moose Lodge this Thursday, Sept. 30, at 8 p.m.

There will be a meeting for the L.O.O.M. on Wednesday, Oct. 6, 8 p.m. at the Moose home. Also on this same Wednesday there will be a meeting for the Audit Committee of the W.O.T.M. to be held at the home of Gert Good at 8 p.m.

There were approximately 38 members in attendance at the meeting and birthday dinner held at the Antioch Moose home on Sept. 22. Receiving special awards for achievements were Arthur Andersen, Henry Grewe and Scotty Birdsall.

Sequoits Drop Conference Opener To Bulldogs, 21 - 7

Antioch's Sequoits couldn't cope with Grant's passing attack Saturday night and they dropped their conference opener to the Bulldogs on the victor's field 21 to 7.

The Bulldogs took over after an Antioch punt rolled out of bounds on the Sequoits' 40 yard line early in the first quarter. Grant then drove 40 yards and capped it off with a three-yard sweep around end by Rich Leonard for the first score of the game.

Grant scored again late in the second period after recovering a blocked punt on the Sequoits' 30-yard line. One

play later Willis Klein took a 26 yard pass from Dave Spencer for the TD.

The Sequoits couldn't get any kind of a drive generated in the first half as their deepest penetration was midfield. Score at halftime was 12 to 0 Grant.

Midway in the third period the Bulldogs registered a safety after a bad pass from center on a Sequoit punt attempt.

On the first play from scrimmage after kicking off to the Bulldogs, Jim Litchfield intercepted a Grant pass and took it all the way to the Bulldog two yard line before be-

ing stopped.

Three plays later Litchfield went off tackle for the Sequoits only touchdown. Mike Sterbenz booted the extra point and the score was 14 to 7, Grant.

A 44 yard run by Leonard late in the third period accounted for Grant's final tally. The PAT was good and the final score was 21 to 7.

The Sequoits never did get organized as penalties plagued them throughout the game. The Sequoits will host the Lake Forest Scouts Saturday in their home opener.

Game-time is set for 12 noon.

Sophs' win 7 to 0

The Sequoits preps scored late in the final stanza on a pass from Greg Drije to eke out a 7 to 0 win over Grant's soph's. The game preceeded the varsity contest.

Sequoit Harriers Take Second Place

Last Thursday Antioch placed a close second to Grant, defending Northwest conference cross country champs, in a triangular meet. Grant had 28 points, Antioch 35 and Carmel 73.

Bill Larsen of Grant won the two-mile race with a time of 10:50, a new course record. Antioch's Tom Wojnowiak placed third, Tom Doolittle fifth, Blaine Backman seventh, Bill Effinger eighth, and Mike Polley twelfth.

The Antioch frosh-soph harriers stretched their winning streak to four straight by winning its triangular

Trophies Given To Top Drivers At Wilmot Track

More than 250 drivers, car owners, family, friends and fans were on hand Saturday night in Twin Lakes, Wis. for the Patenjim Auto Racing Trophy Party honoring the top drivers in 1965 at the Kenosha County Speedway.

Top award of the evening was the 1966 Plymouth Award Car presented to the new Modified Stock Car Champion, Duane Harris of McHenry. In addition, Harris received a trophy from the Miller Brewing Company of Milwaukee and another from Patenjim Auto Racing.

Assisting in the Trophy presentation was Norm Nelson of Racine. Norm is a former Patenjim Auto Racing Champion from the Kenosha County Speedway and currently holds the edge in United States Auto Club Late Model Stock Car National Point Standings.

Honored in the Spectorator Division of Stock Cars for the Champions' Title, was Harold Gutchie of Kenosha, who became the first driver in this division ever to repeat as driver Champion.

Following the presentation of the trophies, the party goers danced and enjoyed the re-

meet. Antioch had 26 points, Carmel 49, and Grant 59. Ray Frank finished second, and John Bjork third.

Antioch's next meet is today (Thurs.) at Grayslake and will play host Sat. to Zion-Benton at the athletic field. The meet time is 9:30.

freshments served up by Patenjim Auto Racing.

Honored as Rookie of the 1965 Season was Ron Bergsma of Richmond, who drove a Plymouth powered modified from Richmond Motors. Ron was the only rookie driver to earn a starting berth in the Championship 100-lap race on the final night of racing at the track. His lone victory came in a 15 lap semi feature which saw him win a trophy from the Kenosha County Fair Association for the victory on Fair night.

Following is the order of final point standings for the modified and Spectorator stock car drivers who received awards:

Champion, Duane Harris; 2nd, Jim Sullivan, Antioch; 3rd, Don Sorce, West Allis; 4th, Chuck Uttech, Kenosha; 5th, Jim Lawrence, Bristol; 6th, Rodger Otto, Burlington; 7th, Bill Bohm, Bristol; 8th, Bill Strom, Milwaukee; 9th, Keny Tolougan, Milwaukee; 10th, Gino Wagner, Cudahy; 11th, Bob Ratajezyk, Waukegan; 12th, Jr. Dodd, Waukegan; 13th, Ray Darnell, Deerfield; 14th, Claude Potter, Twin Lakes; 15th, Don Erickson, Milwaukee; and 16th, Ron Bergsma, Richmond.

Spectorator Division - Champion, Harold Gutchie; 2nd, Pop Kline, Pell Lake; 3rd, Mike Wolf, Lake Villa; Allen Gutchie, Kenosha; Roger Hag, Lake Villa; 6th, Dale Coats, Round Lake; Ron Justen, McHenry; 8th, Joe Baulding, Bur-

White Bass Derby On At Lake Marie

The 1965 Illinois White Bass Derby started September 20th and will run through October 17th. Headquarters of the Derby is Rudy's Resort on Lake Marie.

About twelve anglers have qualified so far for the finals on October 17. Rudy Palenik, owner of the resort, says, Johnny Spehn, Chicago, last year's winner of the Derby, will be seeded into the finals. All anglers 16 years or older with an Illinois license can compete in the fishing tourna-

ment.

Contestants must register each day at Rudy's Resort before going fishing. Registration begins at 6 a.m. and ends at 6 p.m.

Each white bass 5 inches or longer counts 1 point, and 1 point for each pound of fish. The two anglers who have the most points at the end of the day will be finalists and eligible to compete in the final fish-off.

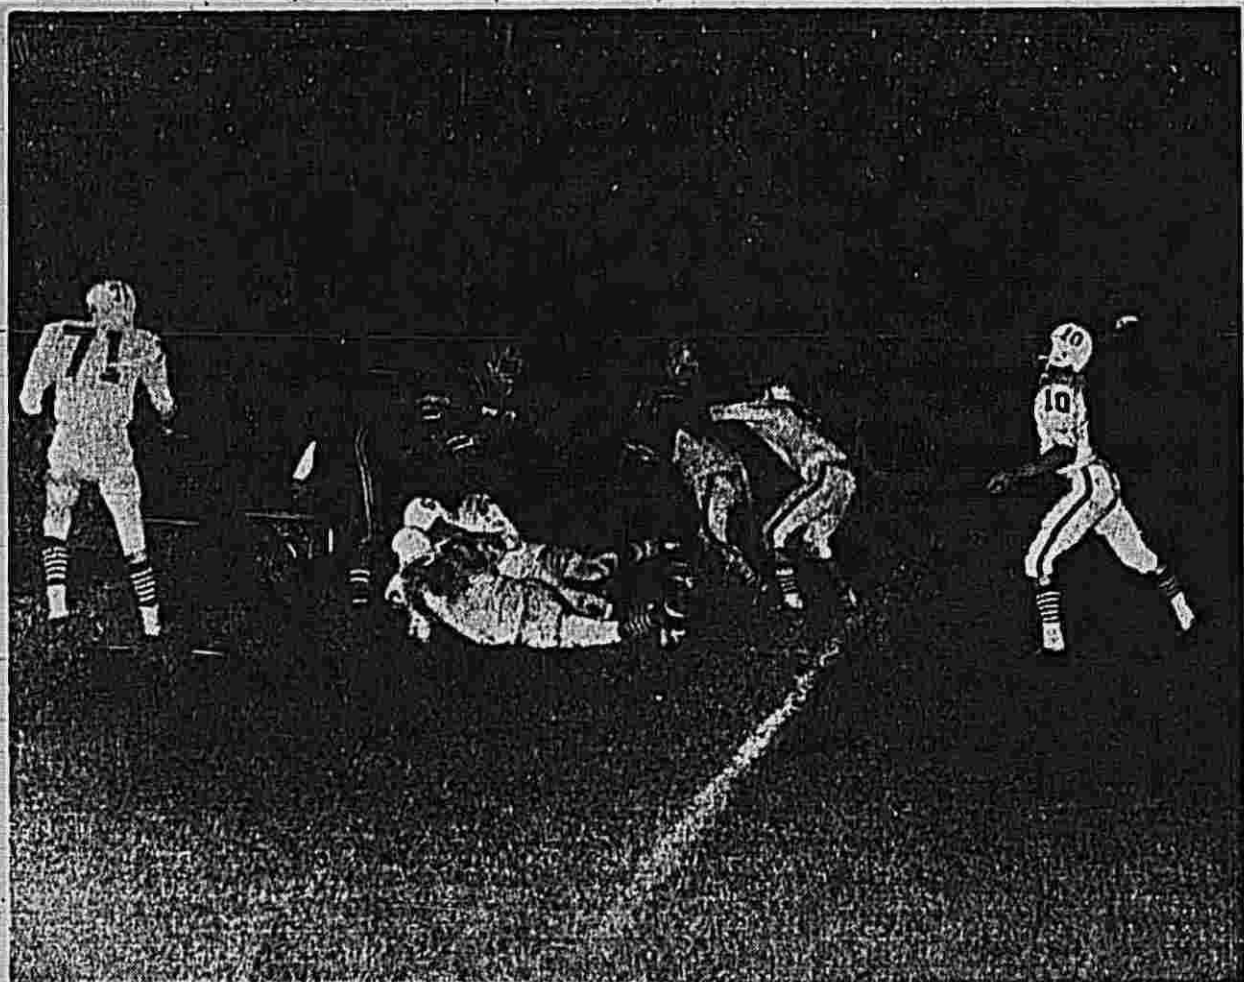

The Champion will receive a trophy and a rod and reel. Second, third and fourth place winners will receive trophies.

State Fishing Finals Delayed By Weather

Five previous winners and 25 qualifiers will have to wait until Sunday, Oct. 10, to see who will reign as the 1965 Illinois state fishing champion.

This group of skillful anglers, including one woman — Mrs. Louise Wallace of 4721 N. Kilpatrick Ave., Chicago — was to engage in the state title fishoff last Sunday, (Sept. 26) on Channel Lake and Lake Catherine in the Chain O' Lakes region near Antioch, but rough water and cold weather prompted Barney Shummeson, the tournament sponsor, to postpone the event for two weeks.

Shummeson, operator of the Channel Lake Boat House, said:

"In addition to the rough water, which could have endangered not only the contestants but the official watchers, (One in each of the 30 finalist's boats), the weather was too cold for comfortable fishing. The thermometer read 37 degrees an hour before the fishoff was scheduled to begin (11 a.m.)."

"One of our tournament rules, No. 17 and the last one in our official regulations, enabled me to postpone the fishoff until a favorable date if I felt that the weather or water conditions could endanger the lives of the contestants."

The winner will receive a title trophy from the Channel Lake Boat House and traveling expenses to and from Quinlan, Texas, where the Illinois champion will be the guest of the Lake Tawakoni Association while he or she competes in the World Series of Sport Fishing on that impoundment of more than 37,000 acres about 40 miles east of Dallas.

The World Series is open to all state champions as guests and other anglers who may wish to enter by paying a fee of \$25 plus other expenses, such as traveling, room and board, boats and motors, while at the tournament.

World Series rules, entry blanks, and general tourist information can be obtained by writing to J. D. Edge, manager of the Lake Tawakoni Association, Quinlan, Tex., or phone him at (area code 214) 447-1301, West Tawakoni, Tex.

George Kraymer of McHenry is the defending state champion. He was seeded into the finals along with four other previous winners. They are Lewis Simon of Antioch, 1963; Don Nichols of La

Grange Park, 1962; Harold Smiley of Round Lake, 1961, and Bill Hoffman of Evanston, 1960.

Among the 25 qualifiers in the finals are 11 Chicago anglers, including Mrs. Wallace; 10 from the northeastern Illinois lakes' region, and four from the Chicago suburbs.

Lakes region anglers are: Ray Mahoney, Bill Mielke, John Egnath of Round Lake; Tom Vallango and Joe Ward of Fox Lake; Patrick Halkamp and Ed Phingsten of Antioch; Theodore Finger Sr., of Crystal Lake; Robert Lang of Ingleside; Sheldon DeNien of McHenry;

Suburban anglers are: Raymond T. Marvin, Wheaton; Roger Nicholas, Elgin; Conrad Verges, Glenview; Ronald F. Dompke, Norridge.

Chicago finalists are: Ed Rakosnik, Jr.; Gene Wassenberg; Jim Caras; Richard Tait; John Peterson; Harold Smiley, Sr.; Bill Wallace; James Raymond; Ronald Schmidt; and Richard Jacobucci.

Each major league baseball team plays 162 games a season—81 in its own park and 81 in the park of each other team in the league.

Burgan Outduels Jones at Waukegan Speedway

Dennis Burgan chased Odell Jones for nineteen laps, then grabbed the feature lead and raced on to a new twenty-five lap late model stock car record at the Waukegan Speedway Saturday night. It was announced that, unless a rain-date is needed, next Saturday night's season championship late model races will conclude the Saturday night racing at the Waukegan Oval for this season. If next Saturday's events should be postponed, the rain-date is set for Saturday night, October 9th.

After one feature restart, Al Gutche took command of the event. At the end of four laps, Jim Luther drew even with Gutche, and then pulled into the lead during the fifth lap, while Jones slipped, by Gutche and into second spot. Meanwhile, a new driver to Waukegan, Dan Kalous, pulled in contention. By the seventh lap, it was Luther, Jones, Kalous, Gutche and Burgan all in a thrilling tangle-to-fender, bumper-to-bumper battle for the lead. Jones swept by Luther, down the backstretch of the next circuit and started to open up a comfortable lead.

Kalous and Luther, dueling for second spot on the tenth lap, tangled in the first turn, and Burgan came from fourth to squeeze into second spot after a near brush with the two skidding cars. Lap after lap, Burgan cut into Jones' big lead. By the nineteenth circuit, Burgan was right behind Jones; then Burgan raced beside Jones on the next lap.

Jones momentarily lost control of his Ford convertible and skidded into the infield, then recovered, but Burgan was out in front now and

wasn't to be caught. Jones closed the gap a little in the remaining five laps, but had to settle for second. In the duel for third, now over fifteen laps old, Luther edged Kalous by about six feet at the finish line after the two raced side-by-side for the final laps.

Jim Gossman dropped further back in the point chase as he broke a rear axle in the third heat race and was idled for the evening. The top ten championship positions will be decided in next Saturday's fifty lap feature, with forty points going to the feature winner.

Mechanical failures stopped two other "top ten" drivers from winning preliminary races. Luther held a commanding lead in the eighth lap of the third heat when a tire came off and caused him to loop in the turn. Later in the semi-feature, Pete Brower also lost a wheel—only four laps short of victory.

Frigid Weather Stops Waukegan Speedway Sunday
Frigid Fall temperatures, morning rain and the forecast of cold night temperatures forced the management of the Waukegan Speedway to cancel the Sunday night show. This just leaves the two season championship programs remaining on the Waukegan schedule.

Next Saturday night the late models will go fifty laps, with a rain-date of the following Saturday night; then the modifieds will button-up the season with their fifty lap tilt on Sunday night, October 3rd. The rain-date for this event will be the following Sunday night, October 10th. Fans may call the track if they are in doubt about the exact schedule.

ACHS Teachers Engage In Varied Summer Activities

Antioch High School's teachers engaged in a variety of activities during the summer vacation months.

Faculty members did everything from tutoring to managing a pool to working as an insurance adjuster on crop hail insurance.

Some attended graduate schools to improve themselves professionally. Among these were Mrs. Betty Scott, who attended Inter-American University in Safford, Mexico; Kenneth Merrill, Norman Craig, Christy Vrendt, Elaine Weidner, Nicholas Ross, Emory Chandler, Gary Allen, Diane Busch, Richard Ellison, Jeanette Tullmello, Kenneth Wierschem, Marilyn Miller, Gilbert Krahn, Lawrence Eggleston, Warren Polley and Barbara Boynewicz attended various colleges.

Teachers who carried on their teaching chores during Antioch High's summer school session are Kenneth Smouse, James Erdmann, Donald Beveroth, Dora Heatie, Roy Nelson and Bernard Fosmark. Two teachers taught college courses at Pestalozzi-Froebel College. They were Robert Vonke and Harrison Brown.

Activities of other teachers included: Mary Baehler, tutoring and vacation; Jana Schmelke, moved into the area and set up housekeeping; Fern Tate, vacationed in Illinois and Pennsylvania; Ivan Teague, acquired new teeth and traveled in Canada; Dennis Sullivan, started a new business; William Neuman, worked in an amusement park; Arlene Molinarolo, hospitalized and general vacation; Linda Millen, worked at Borden Public Library in Elgin; Ward Lear, attended two educational work shops, went camping and managed a newspaper distribution company; John Gudgel, underwent major surgery, and vacationed in Evansville, Indiana.

and did a little fishing; Stuart Good, built an addition to his house and took three short camping trips; Elmo Edwards, vacationed locally; Jane Cramer, did general housework and painted two portraits; Roger Andrews, employed by local electrical contractor; Albert Dittman, occasionally vacationed at Summit Lake, Wis.; Martha Heindl, worked at Zion-Benton Hospital and took a five-week Caribbean cruise; Andrew Hauptmann, construction work; El-

ward Kurek, conducted high school guidance activities; Donald Cramer, painted his house and traveled in Indiana, Wisconsin and Iowa; Richard Olsen, worked as a crop hail insurance adjuster; Darlene Jaschob, worked at her home in Wisconsin; Beverly Evko, completed a manuscript describing a new speech correction method and vacationed in Michigan; Charles Lindholm worked for the Illinois State Employment Service in Chicago; Jack Bodine served as water front director at Allendale School for Boys; William Seemann, camped, worked and played golf; James Corrigan, managed local swimming pool; Joe Rush, conducted Antioch's Fifth Annual Fine Arts Summer Camp and traveled in the Great Lakes area; Carol Maplethorpe, traveled in Michigan, Canada and Colorado.

Fox Lake Hills Properly Owners Elect Officers

Members of the Fox Lake Hills Property Owner's Association elected officers for the next year at the meeting of the Association at 2 p.m. last Sunday at Gavin Central School.

Mrs. Julia Chonis was re-elected president and Joseph Hons was re-elected as vice president. Judith Kelly was elected secretary; Elfreda Denk, treasurer; John Freystak, Director of Unit 2 and Director at Large; Frank Ruby, Directors serve two-year terms. Edward Brunell, Director of Unit 3, has one year still to serve in office.

The officers were authorized to spend up to \$1,000 to repair the protective peninsula, which shelters the boat basin. The point of land which separates the boat basin from Stanton Bay is washing away, Mrs. Chonis said, and a steel sea wall will be built to halt the erosion.

Members authorized the purchase of new mowing equipment for the parkways. Reports were submitted on the water rate increase, the Chesney lawsuit, the sanitary districts, public works and the water sampling program.

Lions Collect Green Stamps To Buy Braille Typewriters

Plans have been announced by Lions International for the collection of S & H Green Stamp books to purchase braille typewriters for the use of blind students of the Hadley School for the Blind.

Each of the 42 Lions Clubs in District 1F are being asked to contribute at least one book per member. District 1F includes the area between Lake Michigan and McHenry County and from the Chicago city limits to the Wisconsin State Line, including Lake County.

Morris F. Benzuly, Ingleside, Chairman of the Blind Activities Committee for Lions International, District 1F, announced his part of the program at a recent meeting of the Fox Lake Lions Club. He said, "We have just completed arrangements with the S & H Green Stamp Co. so that 45 books will be accepted in exchange for one modern braille typewriter."

Any individual wishing to contribute to this activity can forward S & H Green Stamps to Morris M. Benzuly, 208 Lake Road, Ingleside.

Any club or individual who contributes 45 books will have his or their name affixed to the machine.
